Customer No. 22801

Sir/Madam:

Per a discussion with Examiner Nguyen on Friday, October 20, 2006, the USPTO objected to the use of initials in the name of an inventor on the oath/declaration for the above referenced application, which has been allowed.

Per MPEP 605.04(b), "Applicant may overcome this objection by filing a responsive statement that the singular letter(s) is/are the inventor's given name(s)".

Representative for Applicant hereby states, in good faith and to the best of his knowledge, that the name Kishore M.N. is the given name for this inventor of Hyderabad, India. Applicant submits that naming conventions that use initials exist in Asia and, in particular, India. For the foregoing reasons, Applicant submits that the previously filed oath/declaration is proper.

Sincerely,

Brian Pangrie (Reg. No. 42,973)
